

ISAC

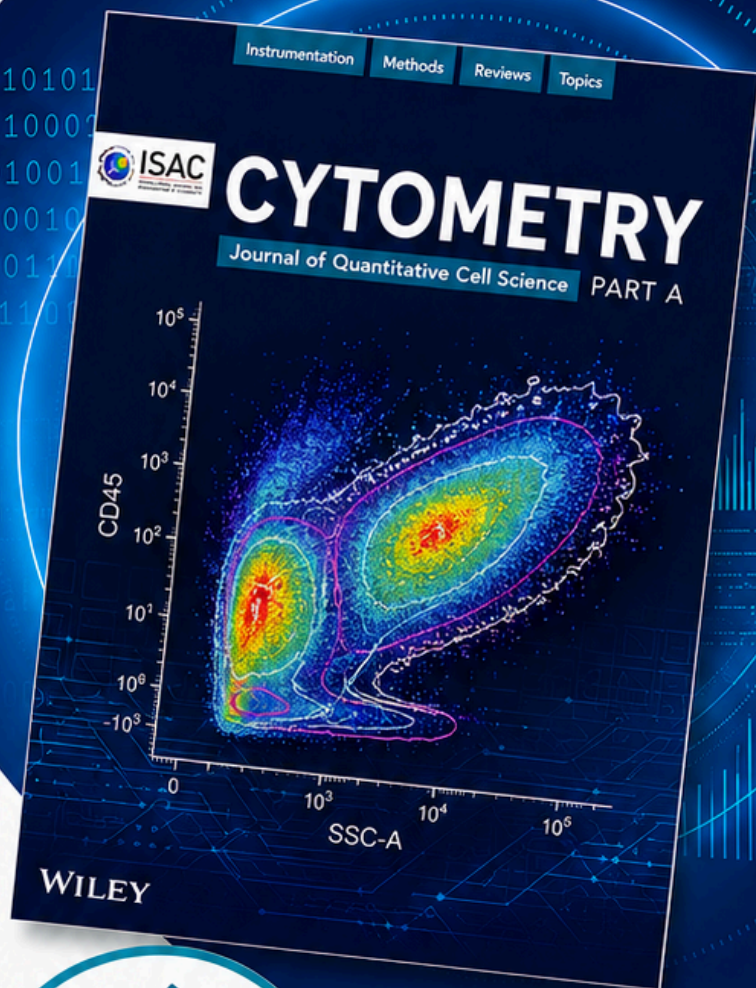

INTERNATIONAL SOCIETY FOR
ADVANCEMENT OF CYTOMETRY

CYTOMETRY PART A: SUBMIT YOUR SHARED RESOURCE LAB RESEARCH

**Highlight innovation. Share impact.
Advance cytometry.**

Cytometry Part A: Discover Award-Winning Research is the official journal of ISAC and an important venue for high-quality, peer-reviewed cytometry research.

We invite **Shared Resource Laboratories** to submit your cutting-edge methods and impactful applications.

SHARED RESOURCES

Powering discovery
through expertise,
technology, and
collaboration.

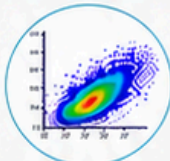

SUBMIT RESEARCH THAT SHOWCASES:

INNOVATIVE TECHNOLOGY

New platforms,
instrumentation,
and reagent
advances

METHOD DEVELOPMENT

Novel workflows,
assays, and data
analysis approaches

SERVICE IMPACT

How your core
advances research
across your
institution

BEST PRACTICES & STANDARDS

Reproducibility,
quality control,
and validation

TRANSLATIONAL APPLICATIONS

From basic discovery
to clinical and
biomedical impact

SUBMIT TODAY!

Help the community discover
the innovation happening in
Shared Resource Labs.
